

Dear Chamber and Prospective Members:

It is that time of year to join or renew your membership with the Waukon Chamber of Commerce. On behalf of the Board of Directors, I'd like to express our deepest gratitude for your continued support. Your ongoing financial contribution is vital to our ability to continue to deliver outstanding business support and events to promote our town. We want to state that we understand first-hand the challenges that the entire business community is facing right now. A new year of membership now brings opportunities to expand our businesses and grow our Chamber. Our strength and vitality come from the unity within our businesses and our presence in the community. We are looking forward to 2021 and we anticipate a very successful year.

“Behind every thriving community are businesses fueling opportunity and prosperity. Together with our partners, we’re spreading the message on why businesses matter and what they need to be successful and have the greatest impact on society.” -Carolyn Cawley, President, U.S. Chamber of Commerce Foundation
